At Home Learning Activities

https://shopping.lwtears.com/member_login?portal=TRUE
https://www.education.com/
https://pbskids.org/

1. Build patterns with items around your home

2. Reading games.....Challenge your child to search for familiar letters and words
-Discuss the difference in letters, words, and sentences while reading

3. Alphabet/Word hunt post letters, & words around the house and let your child search for the correct post
-Challenge your child to spell and rewrite the letters/words found

4. Identify middle and ending sounds in simple words.
-Challenge your child to sort CVC words into word families. (-at, -an, -it, -et....etc)

8. Use toy cars or blocks to build a number. count forwards and backward
-The goal is to help your child instantly identify a number of items up to ten.

9. Create flashcards with letters, numbers, shapes, sight words.
- Use flashcards to create your own game of memory.
- Create letter cards for building words

10. Create your own tic tac to using different letters or numbers

11. Exercise together! Go for a walk!
